Dear Jane A. Simington:

Your request to certify the educational institution, under the name and address shown above, is approved by the Minister of Employment and Social Development under subparagraphs 118.5(1)(a)(ii) and 118.6(1)(a)(ii) of the *Income Tax Act*. This certification is effective as of January 1, 2016 and is subject to review every five years. Please note that you will be required to renew the certification prior to December 31, 2020.

Accordingly, students may claim the fees paid to the institution for purposes of the tuition, education and textbook tax credits provided that the fees total more than \$100 and qualify as eligible tuition expenses. Additionally, students must have attained the age of 16 before the end of the year and the courses and/or programs supplied must provide the students with sufficient skills to enable them to work or improve their skills in a recognized occupation.

The attached document includes important information regarding your certification and your responsibilities regarding it. Should you require further information or clarification, please contact a Certification Program Representative at 1-866-517-5650, by facsimile at 819-654-8489 or by email at [cdu-uad@hrsdcc.gc.ca](mailto:cdu-uad@hrsdcc.gc.ca).

Yours sincerely,

Michael Murray
